LOOK & FEEL

SOUND

All of our rooms come fully equipped with professional-grade DJ equipment and a PA system including a microphone and auxillary line-in connectors.

We also have a selection of in-house music options that can be piped into your event.

LADIDA has several professional DJs who can be booked: you may also source your own.

VISUALS

All our rooms come equipped with LED special effect lighting to enhance the party vibe. The Main Room, Basement Lounge & Champagne Lounge are all equipped with LED visual effect wall panels that can be custom tailored to your event (eg. photo slideshows, company logos, video loops).

A plasma TV or projector can also be supplied by request.

DECOR

All rooms feature tea light candles, security, private bathrooms & flexible furniture arrangements to create the optimal space for your event.

WANT SOMETHING EXTRA SPECIAL?

We can assist you with sourcing a variety of theme & decor upgrades including photo booths, props, table centrepieces, costumes and entertainers.
